

SKI BEECH

Imagine yourself being whisked to the summit of a crystal-white mountain blanketed with frosty powder that's begging to be skied! It's no dream if you're aboard the *Ski Beech Express*—the only high-speed, detachable quad chair lift in the South—at the Southeast's finest ski resort!

Find yourself indulging at the resort above all others. . .

. . . the largest resort in the state!

. . . the highest resort east of the Rockies!

Soar as you ski among the clouds on mile-high slopes!

Explore the Beech Tree Village, filled with charming shops and restaurants.

Experience the excitement of ice skating on the outdoor, refrigerated ice rink.

Capture high altitude rays on one of the many outdoor sun decks.

Enjoy the thrill of night skiing on any of the many lighted slopes.

Or just relax, sipping a warm drink by a cozy fireplace.

THE LAST RUNG

on your career ladder could be LOGOS Healthcare Rehabilitation. You can reach the top without the middle folding.

Is this your situation: You've chosen an employer and things have been going great. So far. Then slowly those career ladder rungs start collapsing. One by one. Promises are left unfulfilled. The long hours you work go unappreciated. Shifting positions to meet unrealistic scheduling loosens your foothold.

At LOGOS Healthcare you can keep looking up with a sound foundation to reach your career goals with solid footing. Any ladder may need a rung tightened. And you'll find real people, who really care, supporting you with encouragement and attention along the way. We're all aiming for the top. And we want to see you make it with us.

Call today and find out how you can take the first step towards a successful career with us.
