

## HE IS ALIVE

Words and Music by David Browne  
©2001 Olivetree Records

Will you arise? Hear now this story  
There's One who's reaching for you  
Some say a man, some say a prophet  
Some say a king He may be

**He is alive, ascended in glory  
He is alive, and He's here today**

He came to earth—you've heard about Him  
The One who died at Calvary  
But many they saw the grave became empty  
The stone had been rolled away

**(chorus)**

And many now tell this story of stories  
Of this Man that set people free  
The lame, they did walk,  
The blind would now see  
The dead would somehow rise again

Will you be hot? Will you be cold?  
Will you not look to His love?  
If you could see in all of His glory  
The man we now call King of Kings

## FACE TO FACE

Words and Music by David Browne  
©2001 Olivetree Records

For Aunika Leigh Browne

A place beyond space and time  
Words to express so hard to find  
'Cause you only see dimly through painted glass

Reflections of why and when  
The times and the places left behind  
If you could see, but you only know in part  
Until you . . .

**See Him face to face  
And you'll know Him face to face  
Then will you know fully  
As you are fully known  
Then will you know Him face to face**

Oh, what a day that will be  
When the light of the Father's all you see  
The race is done — You know you were never alone  
'Cause you . . .

**See Him face to face  
You know Him face to face  
Now you know fully  
As you are fully known  
Now you can know Him face to face**

## WILL YOU BELIEVE

Words and Music by David Browne  
©2001 Olivetree Records

For Stephen Alexander Browne

Can you now hear the wind blow  
It speaks of wisdom gone by  
Of history repeating the story of times  
The voice of ages, He cries

Creation still pointing the Way of the truth  
History tells, we can't deny  
The numbers are falling to His own design  
The language of science so fine. Because . . .

**Everything lives by the breath He releases  
Everything to live for is no longer beyond you  
The wisdom of this world is foolishness before Him  
Will you believe?**

If He came rich, if He came poor  
If He came mourning or dancing  
Would your eyes not see?  
Your ears still not hear?  
The Word has dwelt among us

The Law and the prophets  
Still they are speaking  
Now One greater is here  
He came completely both God and Man  
To give us a choice to choose. Because . . .

**(chorus)**

If a seed planted walks in His steps  
Your enemy comes to destroy  
His counterfeit kingdom may seem to bring life  
But in the end it will die. Because . . .

**ISLAND SONG**

Words and Music by David Browne  
©2001 Olivetree Records

We will proclaim Him  
Love in the morning faithfulness at night  
With all my being  
My soul rejoices to praise His name  
All of His deeds bring joy to the heart  
Life to my soul

**Sing to the Lord, O Most High  
We will sing to the One who gives us life  
He is my Rock, He is my Fortress  
He is the God of all that I am  
That's why we sing all of our praises  
Unto the Lamb we will, we will sing**

In the shadow of the Almighty  
I find refuge  
He is my Rock  
There is no fear—walk in His steps  
In His favor  
I've come to rest in His hands

**(chorus)**

All new creatures  
They will sing new songs  
Spirit gives them voice  
Songs of praise to Hosanna we sing  
He is the Mighty King  
With loud voices may all the earth proclaim  
Gift of life He brings

**WONDER OF IT ALL**

Words and Music by David Browne  
©2001 Olivetree Records

For Ashlind Kaye Browne

He sees you there lying in the dark  
He knows your name  
He takes you by the hand and sees you  
Always through His loving eyes

And when you feel alone again  
Know that He is there  
Even through the Valley of the Shadow

**Oh, the wonder of it all  
Fearfully made, formed by His hand  
Oh, the wonder of it all  
Fearfully made, formed by His hand  
And the One who made it all  
Knows your name.**

When you look around  
At all His hands have made  
It seems a mystery  
How could skies of blue and fingers of such design  
Not point to You?  
He who set the stars in place  
And knows them each by name  
Parts the sea, crushes all your enemies

So when you feel afraid again  
Know that He is near  
By His word He hung the earth in time

**DOXOLOGY FOR A RANSOMED NATION**

Words and Music by David Browne  
©2001 Olivetree Records

Oh, ransomed nation,  
What will acceptance mean?  
If in unbelief Gentiles made free  
What will your fullness bring?  
But life from the dead  
Victory complete for all to see

**For from Him and through Him  
And to Him are all things  
To Him be the glory forever  
Amen!**

Don't you know that the kingdom's  
birthed within  
Till it shines like the noonday sun  
Death, where is your victory?  
Death, where is your sting?  
Lamb will lay with the lion  
Kingdom's coming to earth  
We will see . . .

**(chorus)**

Who has known the mind of the Lord?  
Who has been His counselor?  
Who has ever given to God  
That God should have to repay?

Oh, the depth of the riches and of the wisdom  
And of the knowledge of God  
How unsearchable are His judgments  
His paths beyond tracing out

**HERE AM I**

Words and Music by David Browne  
©2001 Olivetree Records

For our brother John Bennett, who rests in Messiah  
until the Resurrection

As you start each day know that I am there  
As you look for the sun to shine your way  
Know that times are coming  
When I'll lift you in My hand.  
To perfect the work I began in you

I give you grace, My child  
To seek Me each day  
To know My perfect will  
I'll lead you not astray  
When you feel trapped in darkness  
I'll carry you along  
Joy will come in the morning  
To you I sing this song.

**Here am I, guiding your way  
Here am I, holding out My hand to you  
I have a plan for you to open up your eyes  
To show you a love that never dies**

As My people pray, seeking My face  
I'll show Myself faithful to you  
In the midst of suffering  
Know that I am there  
Sustaining you while many they will see

**There am I, guiding your way  
There am I, holding out My hand to you  
I have a plan for them to open up their eyes  
Using your life to glorify**

**TO KNOW HIM**

Words and Music by David Browne  
©2001 Olivetree Records

I was looking for the light  
Searching places I could not find  
The answer to the question of . . .  
Why I'm here and who I am

**When I reached the very end, You were there  
When I looked to the heavens, You were there  
When I stumbled in the darkness, You were there**

**You called my name  
Love that first loved me  
A power to set me free  
If we'll only ask His love we'll see**

**To know Him is to walk in the light  
To know Him is to be at peace  
To know Him is to know who I am  
To know Him is to love Him**

I was chasing dreams like wind  
Thinking they would bring me to know life  
That wealth and power and knowledge  
Would satisfy the void within

**(chorus)**

**To know in Him is all wisdom  
To know in Him is life fulfilled  
To know in Him are all riches  
To know Him is to love Him**

**ALIVAH YERUSHALAYIM**

Words and Music by David Browne  
©2001 Olivetree Records

Let us go up to the mountain  
The holy hill of ancient days  
Jerusalem, He hears your crying  
With prayers of peace all your days  
The One who gave your name is coming  
And He will stand on the mountain in that day

**We were like men who dreamed  
Filled with laughter  
Our tongues with songs of joy  
Then it was said among all nations  
Let us go up to the Mountain of the Lord  
Let us go up to Mount Zion**

And He will open a fountain  
And you will see His nail-scarred hands  
And all the weeping in Yerushalayim  
Will reap with songs of joy

**(chorus)**

We are now worthy to ascend His holy hill  
By the blood of the Lamb  
The Lion of Judah, Root of Jesse reign  
Let us go up . . .

**HE WILL FIND YOU**

Words and Music by David Browne

For Addison Nicole Browne

When the pilgrim thinks he's lost his way  
The light of His word will shine along the way  
When the journey seems to get you down  
Remember those who walked the road ahead of you  
There's a joy to find along the way

**He will find you, show you the way  
He will seek you out  
He has walked this road before  
He will show you how  
(There's a joy awaiting you)**

Like the children who traveled long ago  
They wandered in the wilderness  
They moved so slow  
But God provided a hope for a new land  
A light in the darkness to lead them through  
And He can still make a way for me and you
